All faculty and academic staff at UW-Eau Claire who plan to participate in, or are participating in, Public Health Service (PHS)-funded research must fully disclose potential financial conflicts of interest and successfully complete financial conflict of interest training. This Financial Conflicts of Interest Disclosure Form must be submitted to your department chair or unit director no later than at the time of application, within 30 days of discovering or acquiring a new significant financial interest, and at least annually during the period of award. Please read the Financial Conflicts of Interest in Public Health Service-Funded Research document for information on which types of financial interests are reportable.

☐ I have read the Financial Conflicts of Interest in Public Health Service-Funded Research document and do not have any remunerative outside activities in my field of interest to report. (If you check this box, forward the signed form to your chair/director.)

A. Remunerative Relationships
☐ I have received net remuneration for professional outside activities in my field of professional interest (e.g., consulting, research, teaching, writing, etc.). List below the name of the organization or business, type of activity (e.g., consulting, teaching, etc.) and the aggregate amount of time spent (days) in the activity, and whether you received $5,000 or more from a single source.
